

**RHINO
Guards**

STAINLESS

ENGINEERED FOR STRENGTH AND DURABILITY

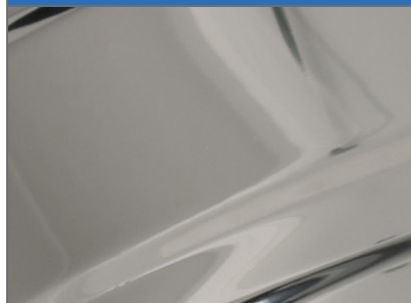

Our guards look amazing, and they are.

Three material types with a range of designs:

RIBBED

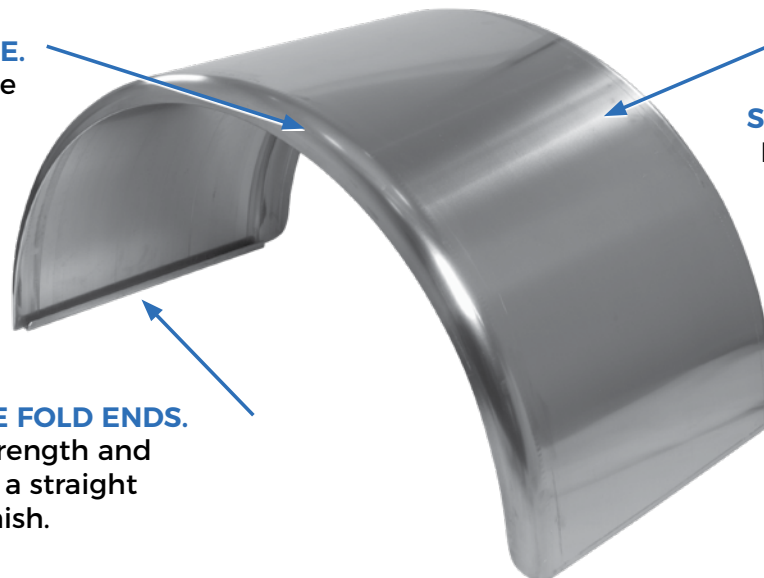

SMOOTH

ROD EDGED

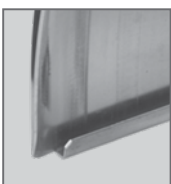

RIPPLE-FREE EDGE.
High quality ripple free edge finish stands out from the crowd.

304 BRIGHT ANNEALED STAINLESS STEEL.
Bright, reflective and durable.

DOUBLE FOLD ENDS.
Gives strength and ensures a straight edge finish.
